President  
Student Bar Association

Dear Mr. Keck,

My name is Antonio Chavez, and I am writing this letter to express my interest in joining the Student Bar Association at Drake University as the 1L representative or 1L honor board representative.

I want to become a part of this great organization because I strongly believe in my ability to serve in this role. My past experiences showcase my dedication to service within the student body at my undergraduate institution and in other endeavors. I served as a Supreme Court Justice in the student government at Iowa State University, and I was on the Civic Engagement Committee. Outside of student government, I also worked for the TRIO program as a peer mentor, communicating resources to first-generation, low-income, and disabled students within my cohort, which was around 30 students per year. This experience also helped me plan large-scale events alongside faculty, including end-of-year banquets.

My willingness to help others is the driving force behind my resolve. I volunteered for multiple organizations, including the ISU 4U Promise Program, in which I traveled to schools in the Des Moines area to discuss the importance of college education to elementary-aged children. I also worked on the Farmworkers' Rights Project at Iowa Legal Aid here in Des Moines, driving across central Iowa to inform farmworkers about their rights as visa workers.

I would love to run for 1L representative and utilize my skills to help the student body and faculty here at Drake in any capacity that I can. Thank you for reading this letter, and I hope to work together soon.

Sincerely,  
Antonio Chavez
