

Letter of Intent

1L Representative / Honor Board Representative

I am writing to express my intent to run for a position as either your 2024/25 1L Representative or Honor Board Representative. I am driven by a commitment to both ethical integrity and connected community.

In consideration for the honor board, I believe I am uniquely qualified for the position as my undergraduate studies in theoretical and applied ethics have provided me a deep understanding of the complexities that surround ethical decision-making. Ethics, I have learned, often involve a spectrum of considerations rather than adhering to a rigid black-and white framework. If elected in this position, I promise to bring a nuanced perspective that would equip me to handle sensitive issues with the fairness and depth they deserve and truly promote the mission of Drake Law School to uphold the ideals of ethics and professionalism.

Furthermore, as your representative, I will run with my passion about enhancing our school spirit through increased Drake Law merchandise options. I have noticed a gap in the variety of items available at our bookstore, and I believe that expanding the selection to include items such as lanyards and other branded gear would greatly benefit our community. By collaborating with both students and bookstore management, I hope to bring more of our Drake Law pride into everyday items, strengthening our connection to the school and each other.

Thank you for considering my candidacy. I am excited about the prospect of contributing to our community and look forward to the opportunity to serve you.

Drake Law School
J.D Candidate 2027
