

## SBA Letter of Intent

Nicholas Logan

1L Representative / Honor Board Representative

Dear SBA and Members of the 1L Class,

As week 3 of law school is already upon us, I have formed friendships that I know could last a lifetime. Law school provides us with the platform not only to flourish in intellectual development, but also to meet like-minded individuals who challenge, support, and ultimately inspire us to be better. And this is only the beginning.

It is for this simple reason that I am running for both the position of 1L Representative as well as the position of 1L Honor Board. I want to take this sense of connection I have already found and extend it to the entirety of the 1L class. Not only this, but these roles would allow me to be in a position of advocacy for my classmates. Advocacy, after all, is one of the fundamental lessons that law school aims to provide: what it takes to be a leader, not only in the legal profession, but in society. I believe serving in one of these positions is the perfect place to begin that journey, and I would be honored to do so on behalf of the 1L class.

Above all, I aspire to make myself available to each and every one of you. I believe I am an outgoing and approachable person, and I truly enjoy getting to know others and learning about their experiences. If elected to either role, my goal is to bring the same openness to fostering stronger connections within our class and building an even closer relationship with the faculty of Drake Law School.

Best regards,

Nick
