## SBA Letter of Intent

Dear 1L Class and SBA,

My name is Ruwayda Egal and I am beyond excited to be running as your 1L representative. As your 1L Representative, I am excited to serve for our class and to act as a liaison between students, administration, and the broader law school community. I want to be a representative that everyone can come to and express any issues and concerns with. I believe having good and honest communication builds a place where people feel comfortable and safe. We all deserve a place where we can thrive in and I want to ensure that space is available.

Another reason I am running for 1L Representative is to help build a strong sense of community. I believe community is the backbone of success. Law school can be challenging, and none of us can achieve our goals alone. By working together, we can grow, support one another, and accomplish far more than we ever could individually. Building this kind of community will allow us all to succeed and thrive both inside and outside the classroom.

Running for the 1L Representative position I want to build and foster relationships. Throughout our three years we will all be able to grow and learn from each other. Coming from different communities and spaces makes this experience incredible valuable. By getting to know each other we can learn from each other and create a supportive environment where everyone thrives. Together we can make law school journey collaborative and inclusive.

Thank you all for taking you time to read this letter. It would be an honor to represent you all this year as your 1L representative.

Ruwayda Egal
