Dear SBA Executive Board,

I am writing to formally express my interest in serving as Treasurer of the Student Bar Association. As a current 3L Juris Doctor candidate at Drake University Law School with a solid foundation in finance and student leadership, I believe I am uniquely positioned to serve the SBA with dedication, reliability, and fiscal responsibility.

Throughout my academic journey, I have consistently taken on treasurer roles across multiple student organizations, including the Moot Court Board, International Law Society, and Drake OWLS. These experiences have equipped me with practical budgeting skills, financial planning insight, and a deep understanding of the funding needs and logistical demands of student organizations.

My background in Business Finance and leadership reflects my commitment to balancing precision with service. I approach financial oversight not just as a matter of numbers, but as a stewardship responsibility. Ensuring that student funds are used effectively, ethically, and in a way that maximizes benefit for the law school community.

If elected, I will prioritize efficiency, clear communication, and support for all student organizations navigating the funding process. I am passionate about serving our law school community and committed to fostering an inclusive environment for all.

Thank you for your time and consideration. I look forward to the opportunity to further serve the student body as SBA Treasurer.

Respectfully,

Matthew Clarke
